OkEq Membership

Oklahomans for Equality (OkEq) seeks equal rights for Lesbian, Gay, Bisexual and Transgender (LGBT) individuals & families through advocacy, education, programs, alliances, and the operation of the Dennis R. Neill Equality Center.

When you support LGBT equality through OkEq, you're making a statement. You're supporting in a very meaningful way the rights of every LGBT individual in Oklahoma — to live with full citizenship and to pursue a life with equality. The 300,000 LGBT Oklahomans deserve equality regardless of sexual orientation or gender identity. Last year, over 30,000 LGBT individuals and families are served through OkEq's largest community program: the Dennis R. Neill Equality Center, and Tulsa Pride & Diversity each year. The Tulsa LGBT Info Line handles nearly 3,000 calls per year, providing professional, business and social referrals, and giving LGBT Oklahomans a place to call when "coming out" of the closet or facing life-changing decisions. Along with these and over 20 additional community programs, OkEq is providing advocacy for LGBT equality and a home for the LGBT and allied community. You make this happen with your membership! Welcome to OkEq and the LGBT and allied community and thank you for supporting our mission of equality for LGBT Oklahomans.
